[Through Proper Channel: The Controller of Examinations / Convener, Grievance Cell]

Subject: Application regarding resolution of clerical grade discrepancy in End-Semester Examination Marksheet.

Respected Sir,

I beg to place before your kind authority a genuine grievance submitted by **Sri Arnab Jyoti Saikia**, a bona fide student of **M.Sc. Applied Geology (Semester IV)**, Roll No. 220410140029, Registration No. DU-2022-REG-8472.

In the recently declared End-Semester results, the candidate has been erroneously marked as 'Absent' in Paper AG402 (Geodynamics). Upon preliminary examination of the exam centre dispatch register and examination attendance sheet, it is verified that the student was present throughout the examination and duly signed the attendance voucher. The error appears to be a clerical omission during the tabulation phase.

As the candidate requires the final marksheet for upcoming national fellowship admissions, I humbly request your kind authority to instruct the Examination Branch to verify the original answer script and issue a rectified marksheet at the earliest.

Thanking you.

Enclosures:
1. Copy of Admit Card
2. Certified Attendance Slip

Yours faithfully,

_____

Dr. P. Chetia
Head, Department of Applied Geology
